

Welcome to Anderson Host!

Anderson based Anderson Host provides you with the very best hosting experience available. We are the reliable web hosting company for the Upstate, South Carolina and beyond!

We offer ...

- unparalleled customer care with a very personal and supportive team
- affordable services with user-friendly tools

- real honesty and integrity
- cutting edge state of the art technology

We don't treat our clients like numbers. We treat them like friends. Our setup is done by our experienced and trained staff and not by some automated software applications. You will see that personal care and quality service is at the very heart of Anderson Host.
